No. D.D.16 Office of the Superintending Engineer,
Karnatak Irrigation Circle,
Dharwar. 21 Octr.1950.

To

The Secretary to Government,
Public Works Department,
Bombay-1.

Subject: Supply of Electric lights to the Dharwar Irrigation Divisional office.

The Executive Engineer, Dharwar Irrigation Division has reported that it is necessary to provide electric lights to his office buildings as it gets dark in the evening before the closure of the office hours thus hampering the work. He has referred the matter to the Electric Department for this purpose.

2. As it would take some time to get the plan and estimate for the same sanctioned before actual provision of lights in accordance with those is made, he has requested that Department whether it would be objectionable to have temporary fitting of electric lights, to which he has been informed that there would be no objection to this provided the cost involved which is roughly estimated to be Rs.150/- for wire etc. for 12 points including fitting charges is met from the grants at the disposal of that office and the work is done by a licenced Electric Contractor under the supervision of that Department.

3. .....

[redacted]. As the provision of electric lights is very necessary
[redacted] immediate in view of there being insufficient light even
[redacted]ring the day time, I am allowing the Executive Engineer to
[redacted]t the temporary fitting carried out from his grant in anti-
[redacted]pation of Government approval. Government may kindly be
[redacted]oved to approve of this action.
